MEMORANDUM.

No. 624.

HORSE GUARDS, 27th July, 1853.

THE General Commanding-in-Chief publishes, for the information of the Officers of the Army, the annexed Copy of a Letter and Enclosure from the Colonial Department, communicating the Terms and Conditions fixed by the Secretary of State for the Colonies, upon which Military Settlers may obtain Land in certain of the British Colonies.

It will be seen that the scale of remission on the purchase of Land remains unchanged; but the language of the Regulations has been considerably altered, in order that they may be more clearly understood.

By Command of the Right Honourable
GENERAL VISCOUNT HARDING,
Commanding-in-Chief.

G. BROWN,
Adjutant General.

(COPY.)

DOWNING STREET, 16th July, 1853.

SIR,

I am directed by the Duke of Newcastle to request that you will move the General Commanding-in-Chief to cause the accompanying amended Paper, entitled "Information for the Use of Military and Naval Officers proposing to settle in the British Colonies," to be published for the information of the Army.

The General Commanding-in-Chief will perceive that the scale of remission in the purchase of Land remains unaltered, but that the language of the existing Regulations has been considerably altered, with a view to their being more generally understood.

I am, &c.

(Signed) HERMAN MERIVALE.

Colonel AIRBY.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS
PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following Regulations, but that they will

be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature.

The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above named Colonies, Land is disposed of by sale only; but Officers purchasing Land are allowed a remission of the purchase-money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole ..	£600
Field Officers, of 20 years' service and upwards, in the whole ..	500
Field Officers, of 15 or less years' service, in the whole	400
Captains, of 20 years' service and upwards, in the whole	400
Captains, of 15 years' service or less, in the whole.....	300
Subalterns, of 20 years' service and upwards, in the whole.....	300
Subalterns, of 7 years' service and upwards, in the whole	200
Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.	

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule: but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army, Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of Land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

3. In order to take advantage of this privilege, Officers of the Army or Navy on full or half pay should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. This Certificate will not on any account be issued more than once to the same Officer, or to any Officer on half pay who shall for two years immediately preceding the date of this Notice have resided in the Colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's Service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having obtained permission to settle in a British Colony, have quitted the Service for the purpose of doing so. But in such cases it will be necessary that their Certificate of Service and permission should bear the date of their retirement from the Service, and that within one year from that date, but not otherwise, it should be presented to

the Governor of one of the above-named Colonies, which will be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the above-named Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from taking out their Certificates, receive a Crown Grant for any Land purchased by such Certificates, but will, in the mean time, receive a "Location Ticket." At the expiration of two years, the Officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within twelve months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the Land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "Location Ticket" is obtained, the Governor of the Colony is authorized to make the Certificate available in favour of the Child or other nearest representative of the deceased Officer, as he may find advisable.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the sale of Land in the Australian settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than £1 per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract except for ready money. When sold by public auction, one-tenth at least of the whole purchase-money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, Land is sold by auction at an upset price, which is to be fixed by the Governor, but which is not to be less than £1 per acre. Before the Lands are exposed for sale, they will be surveyed by the Government, and duly advertised.

9. At the Cape of Good Hope, the upset price is 2s. per acre in the old Colony, and 4s. per acre in the District of Natal.

10. The several prices above-mentioned are of course subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made to Officers cannot be increased on account of an increased value set upon the Lands.

MEMORANDUM.

No. 624.

HORSE GUARDS, 27th July, 1853.

THE General Commanding-in-Chief publishes, for the information of the Officers of the Army, the annexed Copy of a Letter and Enclosure from the Colonial Department, communicating the Terms and Conditions fixed by the Secretary of State for the Colonies, upon which Military Settlers may obtain Land in certain of the British Colonies.

It will be seen that the scale of remission on the purchase of Land remains unchanged; but the language of the Regulations has been considerably altered, in order that they may be more clearly understood.

By Command of the Right Honourable
GENERAL VISCOUNT HARDING,
Commanding-in-Chief.

G. BROWN,
Adjutant General.

(Copy.)

DOWNING STREET, 16th July, 1853.

SIR,

I am directed by the Duke of Newcastle to request that you will move the General Commanding-in-Chief to cause the accompanying amended Paper, entitled "Information for the Use of Military and Naval Officers proposing to settle in the British Colonies," to be published for the information of the Army.

The General Commanding-in-Chief will perceive that the scale of remission in the purchase of Land remains unaltered, but that the language of the existing Regulations has been considerably altered, with a view to their being more generally understood.

I am, &c.

(Signed) HERMAN MERIVALE.

Colonel AIREY.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS
PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following Regulations, but that they will

be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature.

The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above named Colonies, Land is disposed of by sale only; but Officers purchasing Land are allowed a remission of the purchase-money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole ..	£600
Field Officers, of 20 years' service and upwards, in the whole ..	500
Field Officers, of 15 or less years' service, in the whole	400
Captains, of 20 years' service and upwards, in the whole	400
Captains, of 15 years' service or less, in the whole.....	300
Subalterns, of 20 years' service and upwards, in the whole	300
Subalterns, of 7 years' service and upwards, in the whole	200
Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.	

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule: but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army, Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of Land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

3. In order to take advantage of this privilege, Officers of the Army or Navy on full or half pay should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. This Certificate will not on any account be issued more than once to the same Officer, or to any Officer on half pay who shall for two years immediately preceding the date of this Notice have resided in the Colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's Service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having obtained permission to settle in a British Colony, have quitted the Service for the purpose of doing so. But in such cases it will be necessary that their Certificate of Service and permission should bear the date of their retirement from the Service, and that within one year from that date, but not otherwise, it should be presented to

the Governor of one of the above-named Colonies, which will be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the above-named Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from taking out their Certificates, receive a Crown Grant for any Land purchased by such Certificates, but will, in the mean time, receive a "Location Ticket." At the expiration of two years, the Officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within twelve months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the Land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "Location Ticket" is obtained, the Governor of the Colony is authorized to make the Certificate available in favour of the Child or other nearest representative of the deceased Officer, as he may find advisable.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the sale of Land in the Australian settlements :—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than £1 per acre ; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes ; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price : these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction ; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, Land is sold by auction at an upset price, which is to be fixed by the Governor, but which is not to be less than £1 per acre. Before the Lands are exposed for sale, they will be surveyed by the Government, and duly advertised.

9. At the Cape of Good Hope, the upset price is 2s. per acre in the old Colony, and 4s. per acre in the District of Natal.

10. The several prices above mentioned are of course subject to a revision at any time by the proper authorities, and the pecuniary amount of the remission made to Officers cannot be increased on account of an increased value set upon the Lands.

July, 1853.

Regulation in regard to the LEVÉES at the Horse Guards.

OFFICERS desirous of attending the Levées of the General Commanding-in-Chief, or the Military Secretary, are requested, in making their application, to state the object of the interview solicited.

The names of Officers upon whom the ORDER OF THE BATH has been conferred, of Officers who have received GOLD MEDALS or SILVER MEDALS, or REWARDS for distinguished Service, having been frequently published, will no longer appear in the MONTHLY ARMY LIST.

For the convenience of those Officers who may wish to possess these Lists, a few copies of the whole may be obtained of Messrs. PARKER & Co.

The RETIRED FULL PAY and HALF PAY will be published in November.

N. B. All Communications to the Editor regarding Deaths, (more particularly of those Field Officers who have retired from the Army, but whose Names are specially allowed to be retained, and of Officers having Local Rank,) Errors or Omissions, which may be discovered in this, or in the ANNUAL Army List (which is also published by AUTHORITY), should be addressed, verified by *real Signature*, to "The Right Honorable THE SECRETARY AT WAR," marking the words "*Army List*" on the corner of the cover.

No Army Lists, except the ANNUAL published by Messrs. Clowes, and the MONTHLY by Messrs. Parker & Co., ARE AUTHORIZED BY THE WAR OFFICE.

For the convenience of those Officers who may wish to possess these Lists, a few copies of the whole may be obtained of Messrs. PARKER & Co.

The RETIRED FULL PAY and HALF PAY is deferred until February.
